It is my pleasure to offer this letter of support for the work that Pride Lands is doing and my support for the Pride Fair.

Pride Lands offers a valuable service to a number of our tamariki here in the electorate of Mana, in particular Porirua. I have seen first-hand the great work by Pride Lands to lift our tamariki's confidence, and the Pride Fair is an extension of their innovative thinking.

The Pride Fair is a mana-enhancing initiative for our tamariki and their whānau. Not only do whānau have the ability to acquire goods that may be needed for their households but our tamariki get to learn some of the basics of financial planning and how to run a small business.

As discussed with Pride Lands and my Parliamentary colleague Paul Eagle MP, I am looking forward to assisting in spreading the word about Pride Fair and seeing what other opportunities to support this exciting event.

I encourage businesses and organisations who believe in active social change to support and be a part of the Pride Fair.
